

DISCLOSURE OF COMMERCIAL SUPPORT

Affiliation with a corporate organization or receiving compensation for work related to a proprietary product does not prevent an author's work from being published in a peer-reviewed journal. Such relationships must be made known, however, in the interest of full disclosure and in accordance with Medline standards. Please check any boxes below that apply to you, sign this document, and return it to the editor at the address below.

Name of publication: _____

Your name: _____
